Last night was the last meeting of one balt of the present City Council, and to day their successors will be elected. The old members retired gracefully, and apparently without any regret that their stewardship had drawn to a close. A special meeting of the council will be held on Monday night next for the purpose of qualifying the new councilmen.

Wm. Duzan, wishing to make an hones: living, went into the peddling business without first procuring a ltcense from the proper author ties, when he was discovered, arraigned, and fined for his infringement of the municipal code Without this, William would have probably kept his name out of print, and consequently unknown

----Despite an order from the military and the mayor, prohibiting the opening of drinking saloons on Sunday, we noticed that crowds of bibulous looking judividuals "might have been seen" taking their way up alleys and going around to back doors where the fluid was for sale. Yet we never saw fewer persons, in so large a multitude, under the influence of liquor, and it was undoubtedly owing to the stringent orders from the authorities against its sale.

A number of ladies were busy yesterday in preparing and making into handsome bequets the flowers and evergreens that were strewn on third reading ; the coffin of Mr Lincoln. Many will wish to One providing for the grading and paving of had passed over them.
